

## Parents Of Murdered Children Memorial Monument

### *Engraving Addition*

On April 23, 1995 the monument was unveiled and dedicated to those of our loved one/ones that have lost their lives to violence. At the unveiling/dedication 105 names had been engraved.

The memorial is designed of granite with our logo engraved on the center piece along with the name of our Chapter and the date of foundation of our Chapter and permanently displayed in North Riverside Park at the corner of Bitting and 10<sup>th</sup> Streets. The original memorial will hold 176 names. The addition has room to place an additional 264 names.

Four benches were donated by family members of homicide victims along with four lights that come on at night. There are now with the addition, two more benches donated by family members and four more lights that are placed with the original setting. These four lights may be donated by anyone interested in doing so. It is truly a beautiful memorial that anyone would be proud to add their loved one/ones name/names.

To add a name/names, please forward \$70.00 for each name for the cost of the engraving.

Name to be engraved (please print clearly). \_\_\_\_\_

---

You will be called for verification of spelling on the name should there be any questions. It is necessary to have at least 10 names to add before the engravers can go to the site to do the engraving. SO, the name/names *will not* be added immediately.

**Questions? Contact Corinne Radke at (316) 265-1600. MUST HAVE A KANSAS CONNECTION for additional names to be engraved.**
